I.INTRODUCTION

A RISK FACTORS

Standard Risk Factors:

- Mutual Funds and securities investments are subject to market risks and there is no assurance or guarantee that the objectives of the Scheme will be achieved.
- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down depending on the factors and forces affecting the capital markets.
- Past performance of the Sponsor and other affiliates/AMC/Mutual Fund (or any of its schemes) does not guarantee future performance of the scheme.
- IDFC Nifty Fund is the name of the scheme and does not in any manner indicate either the quality of the scheme or its future prospects and returns.
- The sponsor is not responsible or liable for any loss resulting from the operation of the scheme beyond the initial contribution of Rs.30,000 made by it towards setting up the Fund.
- The present scheme is not a guaranteed or assured return scheme.

Scheme Specific Risk Factors:

- **Price-Risk or Interest-Rate Risk:** Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.
- **Reinvestment Risk:** Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.
- **Credit Risk:** In simple terms this risk means that the issuer of a debenture/bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in Government securities, there is no credit risk to that extent.
- **Basis Risk (Interest - rate movement):** During the life of a floating rate security or a swap, the underlying benchmark index may become less active and may not capture the actual movement in interest rates or at times the benchmark may cease to exist. These types of events may result in loss of value in the portfolio.
- **Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. However, depending upon the market conditions, the spreads may move adversely or favourably leading to fluctuation in the NAV.
- **Liquidity Risk:** Due to the evolving nature of the floating rate market, there may be an increased risk of liquidity risk in the portfolio from time to time.
- **Other Risk:** In case of downward movement of interest rates, floating rate debt instruments will give a lower return than fixed rate debt instruments.

The scheme proposed to invest in equity and equity related instruments. Equity instruments by nature are volatile and prone to price fluctuations on a daily basis due to both micro and macro factors. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of these investments. Different segments of financial markets have different settlement periods and such periods may be

extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities' purchases due to settlement problems could cause the Scheme to miss certain investment opportunities.

Risk factors pertaining to index fund:

- The Scheme attempts to track the respective indices and it would primarily invest in the securities included in its Underlying indices regardless of their investment merit. The Scheme may be affected by a general decline in the Indian markets.
- Performance of the S&P CNX Nifty Index will have a direct bearing on the performance of the scheme. In the event the S&P CNX Nifty is dissolved or is withdrawn by India Index Services & Products Ltd. (IISL) or is not published due to any reason whatsoever, the Trustee reserves the right to modify the respective scheme so as track a different and suitable index or to suspend tracking the Nifty till such time it is dissolved / withdrawn or not published and appropriate intimation will be sent to the Unit holders of the scheme. In such a case, the investment pattern will be modified suitably to match the composition of the securities that are included in the new index to be tracked and the scheme will be subject to tracking errors during the intervening period.
- Tracking errors are inherent in any index fund and such errors may cause the scheme to generate returns which are not in line with the performance of the S&P CNX Nifty or one or more securities covered by / included in the S&P CNX Nifty and may arise from a variety of factors including but not limited to:
 - Any delay in the purchase or sale of shares due to illiquidity in the market, settlement and realisation of sales proceeds, delay in credit of securities or in receipt and consequent reinvestment of dividends, etc.
 - The Indices reflect the prices of securities at a point in time, which is the price at close of business day on National Stock Exchange of India Limited (NSE). The scheme however, may trade these securities at different points in time during the trading session and therefore the prices at which the scheme trade may not be identical to the closing price of each scrip on that day on the NSE. In addition, the scheme may opt to trade the same securities on different exchanges due to price or liquidity factors, which may also result in traded prices being at variance, from NSE closing prices.
 - IISL undertakes periodic reviews of the fifty securities that are represented in the Nifty and from time to time may exclude existing securities or include new ones. In such an event, the scheme will endeavor to reallocate its portfolio to mirror the changes. However, the reallocation process may not occur instantaneously and permit precise mirroring of the Nifty during this period.
 - The potential of trades to fail may result in the scheme not having acquired the security at the price necessary to mirror the index.
 - Transaction and other expenses, such as but not limited to brokerage, custody, trustee and investment management fees.
 - Being an open-ended scheme, the scheme may hold appropriate levels of cash or cash equivalents to meet ongoing redemptions. The scheme may not be able to acquire or sell the desired number of securities due to conditions prevailing in the securities market, such as, but not restricted to: circuit filters in the securities, liquidity and volatility in security prices.

- Due to the reasons mentioned above and other reasons that may arise, it is expected that the scheme may have a tracking error in the range of 2-3% per annum from the Benchmark. However, it needs to be clearly understood that the actual tracking error can be higher or lower than the range given.
- In case of investments in derivatives like index futures, the risk reward would be the same as investments in portfolio of shares representing an index. However, there may be a cost attached to buying an index future. Further, there could be an element of settlement risk, which could be different from the risk in settling physical shares and there is a risk attached to the liquidity and the depth of the index futures market as it is relatively new market.

Risk Factors for derivatives

1. Credit Risk: The credit risk is the risk that the counter party will default obligations and is generally negligible, as there is no exchange of principal amounts in a derivative transaction (especially in case of debt derivatives).
2. Market risk: Derivatives carry the risk of adverse changes in the market price.
3. Illiquidity risk: The risk that a derivative cannot be sold or purchased quickly enough at a fair price, due to lack of liquidity in the market.
4. The risk is to the extent that returns are limited for the investor in case of extreme movement in call rates (applicable to debt derivatives).
5. The fund pays the daily compounded rate. In practice however there can be a difference in the actual rate at which money is lent in the call market and the benchmark, which appears and is used (applicable to debt derivatives).

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments

Risk Factors Associated with Securities Lending

The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The Mutual Fund may not be able to sell such lent securities and this can lead to temporary illiquidity. The scheme is the first equity scheme being launched by the AMC.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme/Plan shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/Plan(s). However, if such limit is breached during the NFO of the Scheme, the Fund will endeavour to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme

complies with these two conditions. In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

In case the scheme is not able to achieve the requirement of minimum investors/maximum holding, there is a risk that the scheme may have to be wound up and the investors will be returned their investments at the applicable NAV

C. SPECIAL CONSIDERATIONS, if any

All the above factors not only affect the prices of securities but may also affect the time taken by the Fund for redemption of units, which could be significant in the event of receipt of a very large number of redemption requests or very large value of redemption requests. The liquidity of the assets may be affected by other factors such as general market conditions, political events, bank holidays and civil strife. In view of this, the Trustee has the right in its sole discretion to limit redemption (including suspension of redemption) under certain circumstances. Please refer to Section titled “Units on Offer”.

The liquidity of the Scheme’s investments may be restricted by trading volumes, settlement periods and transfer procedures. In the event of an inordinately large number of redemption requests or of a restructuring of the Scheme’s portfolio, the time taken by the Scheme for redemption of Units may become significant. In view of this, the Trustee has the right in its sole discretion to limit redemption (including suspension of redemption) under certain circumstances. Please refer to Section titled “Units on Offer”.

The Scheme may trade in derivatives as permitted under the Regulations subject to guidelines issued by SEBI and RBI from time to time. Trading in Derivatives involves risks, which are explained in Section titled “Investment Objectives and Policies”.

The Scheme may also invest in overseas financial assets as permitted under the applicable regulations. To the extent that the assets of the Scheme will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee. The repatriation of capital to India may also be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of other restrictions on investment.

In case the scheme undertakes stock lending under the Regulations, the Scheme may, at times be exposed to counter party risk.

Redemptions due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any such tax consequences that may arise.

The tax benefits described in this Scheme Information Document are as available under the present taxation laws and are available subject to conditions. The information given is included for general purpose only and is based on advice received by the AMC regarding the law and practice in force in India and the Unitholders should be aware that the relevant fiscal rules or their interpretation may change. As is

the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unitholder is advised to consult his/ her own professional tax advisor.

No person has been authorised to give any information or to make any representations not confirmed in this Scheme Information Document in connection with the Scheme information Document or the issue of Units, and any information or representations not contained herein must not be relied upon as having been authorised by the Mutual Fund or the Asset Management Company.

II. INFORMATION ABOUT THE SCHEME

A. TYPE OF THE SCHEME

An Open Ended Index Linked Equity Scheme

B. INVESTMENT OBJECTIVE OF THE SCHEME

The investment objective of the scheme is to replicate the S&P CNX Nifty Index by investing in securities of the CNX Nifty Index in the same proportion/weightage.

However, there is no assurance or guarantee that the objectives of the scheme will be realized and the scheme does not assure or guarantee any returns.

C. ASSET ALLOCATION

Asset Class	Range of allocation (% of Net Assets)	Risk Profile
Securities (including derivatives) forming a part of the S&P CNX Nifty Index	90 - 100	High
Debt & Money Market instruments	0-10	Low to medium

The net assets of the scheme/Plan will be invested predominantly in stocks constituting the S&P CNX Nifty and / or in exchange traded derivatives on the S&P CNX Nifty. This would be done by investing in almost all the stocks comprising the S&P CNX Nifty Index in approximately the same weightage that they represent in the S&P CNX Nifty Index and / or investing in derivatives including futures contracts and options contracts on the S&P CNX Nifty Index. A small portion of the net assets will be invested in money market instruments permitted by SEBI / RBI including call money market or in alternative investment for the call money market as may be provided by the RBI, to meet the liquidity requirements of the scheme/plan and for meeting margin money requirement for Nifty futures and/or futures of stocks forming part of the Nifty Index. Further in case wherein the minimum lot size of the index scrip's is not available, then the scheme shall invest in debt and money market instruments. Further in case wherein the minimum lot size of the index scrip's is not available, then the scheme shall invest in debt and money market instruments.

Investments in Derivatives – upto 50% of the net assets of the scheme.

It is the intention of this Scheme to trade in derivatives on the indices or the stocks comprising the indices, as permitted by the Regulations for the purposes of rebalancing or to take advantage of the pricing opportunities in case futures are trading at discount to spot prices of the Nifty stocks.

However, the total exposure to the stock of the company (equity and derivatives) shall be in line with the weightage of the scrip on the index.

Change in Investment Pattern

As an index linked scheme, the investment policy is primarily passive management. The investment pattern is indicative and may change for short duration. In the event the S&P CNX Nifty is dissolved or is withdrawn by IISL or is not published due to any reason whatsoever, the Trustee reserves the right to modify the scheme so as to track a different suitable index and/or to suspend tracking the Nifty and appropriate intimation of the same will be sent to the Unit holders of the scheme. In such a case, the investment pattern will be suitably modified to bring it in line with the composition of the securities that are included in the new index to be tracked and the performance of the scheme will be subject to tracking errors during the intervening period.

IISL undertakes periodic reviews of the fifty securities that are represented in the Nifty and from time to time may exclude existing securities or include new ones. In such an event, the Fund will endeavour to reallocate its portfolio but the available investment/ disinvestment opportunities may not permit precise mirroring of the Nifty in a short period of time.

D. WHERE WILL THE SCHEME INVEST?

The corpus of the Scheme will be invested in equity and equity related products & in debt and money market instruments. Subject to the Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities / instruments:

- Equity and Equity related instruments include equity warrants and convertible instruments.
- ADRs / GDRs issued by Indian companies and equity of listed overseas companies subject to necessary regulatory requirements (or such other limits that the regulations may permit from time to time).
- Stock futures / index futures and such other permitted derivative instruments
- Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
- Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
- Debt instruments issued by domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee.
- Corporate debt and securities (of both public and private sector undertakings) including Bonds, Debentures, Notes, Strips, etc.
- Debt instruments (both public and private sector) issued by banks / development financial institutions.
- Money market instruments permitted by SEBI including call money market or in alternative investments for the call money market as may be provided by RBI to meet the liquidity requirements.
- Certificate of Deposits (CDs).
- Commercial Paper (CPs).
- The non-convertible part of convertible securities.
- Any other domestic fixed income securities including Structured Debt instruments
- Any overseas debt instrument, as permitted by extant regulations

- Pass through, Pay through or other Participation Certificates representing interest in a pool of assets including receivables.
- Any other securities / instruments as may be permitted by SEBI from time to time

For the purpose of further diversification and liquidity, the Scheme may invest in another scheme managed by the same AMC or by the AMC of any other Mutual Fund without charging any fees on such investments, provided that aggregate inter-scheme investment made by all schemes managed by the same AMC or by the AMC of any other Mutual Fund shall not exceed 5% of the net asset value of the Fund.

The securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of any maturity. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals. The scheme may invest the funds of the scheme in short term deposits of scheduled commercial banks as permitted under extant regulations.

The Scheme may also enter into repurchase and reverse repurchase obligations in all securities held by it as per the guidelines and regulations applicable to such transactions.

The Scheme may participate in securities lending as permitted under the Regulations.

E. INVESTMENT STRATEGIES AND RISK CONTROL

Investment Strategy

Equity

The Scheme will be managed passively with investments in stocks in a proportion that it is as close as possible to the weightages of these stocks in the S&P CNX Nifty Index. The investment strategy would revolve around reducing the tracking error to the least possible through rebalancing of the portfolio, taking into account the change in weights of stocks in the index as well as the incremental collections/redemptions from the Scheme. It is proposed to manage the risks by placing limit orders for basket trades and other trades, proactive follow-up with the service providers for daily change in weights in the S&P CNX Nifty Index as well as monitor daily inflows and outflows to and from the Fund closely. While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated

Debt

The domestic debt markets are maturing rapidly with liquidity emerging in various debt segments through the introduction of new instruments and investors. The actual percentage of investment in various fixed income securities will be decided after considering the prevailing political conditions, the economic environment (including interest rates and inflation), the performance of the corporate sector and general liquidity and other considerations in economy and markets. The Fund has put in place detailed Investment Discretion Guidelines defining the prudential and concentration limits for the portfolio limits. The investment management team is allowed full discretion to make sale and purchase decisions within the limits established. The Fund Manager/(s) record a justification for investments made, on the deal slip / instruction. Investment Management Committee (IMC) in its periodic meetings will track portfolio investment rationale, portfolio composition, performance etc. Any modifications to the Investment Discretion Guidelines can be made by the IMC and will be ratified by the Board. The performance of the fund will be monitored against its peer group in the industry and presented at every Board meeting along with the portfolio of the Schemes. The Board of Director discusses the performance and portfolio composition of the scheme and queries are responded to by the President & CEO.

NOTE ON DEBT & MONEY MARKET IN INDIA

The Indian debt markets are one of the largest such markets in Asia. Government and public Sector enterprises are predominant borrowers in the market. While interest rates were regulated till a few years back, there has been a rapid deregulation and currently both the lending and deposit rates are market determined.

The debt markets are developing fast, with the rapid introduction of new instruments including derivatives. Foreign Institutional Investors are also allowed to invest in Indian debt markets now. There has been a considerable increase in the trading volumes in the market with the relatively high trading volumes. The trading volumes are largely concentrated in the Government of India Securities, which contribute a high proportion of the daily trades.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI). A predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporates.

Certain instruments currently available for investments and their current yields are given as under:

Following table exhibits various debt instruments along with indicative yields as on January 31, 2010

Instruments	Yield Range (% per annum)
G – Sec 5 year	7.17%
G – Sec 10 year	7.59%
Corporate Debentures AAA 3 year	7.62%
Corporate Debentures AAA 5 year	8.35%
CP's / CD's 3 months	4.50%
CP's / CD's 1 year	6.00%
Treasury Bills 3 months	4.00%
Treasury Bills 1 year	4.70%

TRADING IN DERIVATIVES

The scheme intends to use derivatives for purposes that may be permitted by SEBI Mutual Fund regulations from time to time.

Derivative transactions that can be undertaken by the Scheme include a wide range of instruments, including, but not limited to

- Futures
- Options
- Swaps
- Any other instrument, as may be regulatorily permitted

Derivatives can be either exchange traded or can be over the counter (OTC). Exchange traded derivatives are listed and traded on Stock Exchanges whereas OTC derivative transactions are generally structured between two counterparties.

SEBI has vide its circular DNP/29/2005 dated September 14, 2005 inter alia specified the guidelines pertaining to trading by Mutual Funds in Exchange Traded derivatives. The position limits have subsequently been modified vide circulars inter alia including circular no. DNP/30/2006 dated January 20, 2006 and circular no. SEBI/DNP/31/2006 dated September 22, 2006.

All derivative position taken in the portfolio would be guided by the following principles.

i. Position limit for the Mutual Fund in index options contracts

- a. The Mutual Fund position limit in all index options contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest of the market in index options, whichever is higher, per Stock Exchange.
- b. This limit would be applicable on open positions in all options contracts on a particular underlying index.

ii. Position limit for the Mutual Fund in index futures contracts:

- a. The Mutual Fund position limit in all index futures contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest of the market in index futures, whichever is higher, per Stock Exchange.
- b. This limit would be applicable on open positions in all futures contracts on a particular underlying index.

iii. Additional position limit for hedging

In addition to the position limits at point (i) and (ii) above, the Mutual Fund may take exposure in equity index derivatives subject to the following limits:

1. Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
2. Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.

iv. Position limit for Mutual Fund for stock based derivative contracts

The Mutual Fund position limit in a derivative contract on a particular underlying stock, i.e. stock option contracts and stock futures contracts, is defined in the following manner:-

1. For stocks having applicable market-wise position limit (MWPL) of Rs. 500 crores or more, the combined futures and options position limit shall be 20% of applicable MWPL or Rs. 300 crores, whichever is lower and within which stock futures position cannot exceed 10% of applicable MWPL or Rs. 150 crores, whichever is lower.
2. For stocks having applicable market-wise position limit (MWPL) less than Rs. 500 crores, the combined futures and options position limit would be 20% of applicable MWPL and futures position cannot exceed 20% of applicable MWPL or Rs. 50 crore which ever is lower.

v. Position limit for each scheme of a Mutual Fund for stock based derivative contracts

The scheme-wise position limit / disclosure requirements shall be –

1. For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a mutual fund shall not exceed the higher of:

1% of the free float market capitalisation (in terms of number of shares) or 5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).

2. This position limits shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.

3. For index based contracts, Mutual Funds shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

Illustrations

Index Futures

Index Futures have been introduced by BSE and NSE. Generally three futures of 1 month 2 months and 3 months are presently traded on these exchanges. These futures expire on the last working Thursday of the respective months.

If the Nifty (Index) was 1875 at the beginning of a month and the quotes for the three futures were as under:

Month	Bid Price	Offer Price
1	1880	1885
2	1900	1915
3	1910	1930

The Fund can buy an Index of month 1 on the last day of the month prior to month 1 in the illustration above at an offer price of 1885.

Numerical example of futures trade

The following is a hypothetical example of a typical likely index future trade and the associated costs.

Particulars	Index Future	Actual purchase of stocks
Index at the beginning of the month	1875	1875
Price of 1 Month Future	1885	
A. Execution Cost: Carry and other Index Future costs (1885-1875)	10	Nil
B. Brokerage Cost: Assumed at 0.30% for Index Future and 0.50% for spot Stocks (0.30% of 1885) (0.50% of 1875)	5.66	9.38

C. Gains on Surplus Funds: (assumed 10% return on 90% of the money left after paying 10% margin) (10%*1875*90%*30 days/365)	13.87	Nil
Total Cost (A+B-C)	1.79	9.38

In this example, the Index Future trade has resulted in profitability compared to actual purchase of the underlying index stocks. The profitability of Index Future as compared to an individual security will interalia depend upon the carrying cost, the interest available on surplus funds and the transaction cost.

There are futures based on stock indices as mentioned above as also futures based on individual stocks.

Illustrative list of strategies that can employ futures

Strategies that employ index futures and their objectives:

(a) The fund has an existing equity portion invested in a basket of stocks. In case the fund manager has a view that the equity markets are headed downwards, the fund can then hedge the exposure to equity either fully or partially by initiating short futures positions in the index. A similar position in the long direction can also be initiated by the fund to hedge its position of cash and permissible equivalents. The extent to which this can be done is determined by existing guidelines.

Risk associated with this strategy:

- 1.Lack of opportunities available in the market
- 2.Inability of the derivatives to correlate perfectly with underlying indices
- 3.Execution risk, whereby the rates seen on the screen may not be the rates at which the ultimate execution takes place.

(b) To the extent permissible by extant regulations the scheme can initiate a naked short position in an underlying index future traded on a recognized stock exchange. In case the nifty near month future contract trading at say, 1850, and the fund manager has a view that it will depreciate going forward, the fund can initiate a sale transaction of nifty futures at 1850 without holding a portfolio of equity stocks or any other underlying long equity position. Once the price falls to 1800 after say, 20 days the fund can initiate a square-up transaction by buying the said futures and book a profit of 50. Correspondingly the fund can take a long position without an underlying cash/ cash equivalent subject to the extant regulations.

Risk associated with this strategy:

- 1.Lack of opportunities available in the market
- 2.Inability of the derivatives to correlate perfectly with underlying indices
- 3.Execution risk, whereby the rates seen on the screen may not be the rates at which the ultimate execution takes place.

Strategies that employ Stock specific Futures and their objectives:

Individual stock futures are also available in the Indian Equity Markets. Stock futures trade either at a premium or at discount to the spot prices, the level of premium generally reflects the cost of carry. Stock specific issues may have a bearing on futures as speculators may find futures as a cost-effective way of executing their view on the stock. However such executions usually increase the premium/discount to the spot significantly, thereby giving rise to arbitrage opportunities for a fund.

(a) Selling spot and buying future : In case the fund holds the stock of a company at say Rs. 1000 while in the futures market it trades at a discount to the spot price say at Rs. 980 then the fund may sell the stock and buy the futures. On the date of expiry of the stock future, the fund may reverse the transactions (i.e. Buying at Spot & Selling futures) and earn a risk-free Rs. 20/- (2% absolute) on its holdings. As this can be without any dilution of the view of the fund on the underlying stock the fund can still benefit from any movement of the price in the northward direction, i.e. if on the date of expiry of the futures, if the stock trades at 1100 which would be the price of the futures too, the fund will have a benefit of Rs. 100/- whereby the fund gets the 10% upside movement together with the 2% benefit on the arbitrage, and thus getting a total return of 12%

Risk associated with this strategy:

- 1.Lack of opportunities available in the market
- 2.Risk of mispricing or improper valuation
- 3.Inability of the derivatives to correlate perfectly with underlying security
- 4.Execution risk, whereby the rates seen on the screen may not be the rates at which the ultimate execution takes place.

(b) Buying spot and selling future: Where the fund holds the stock of a company trading in the spot market at Rs 1000 while it trades at Rs. 1020/- in the futures market then fund may buy the stock at spot and sell in the futures market thereby earning Rs 20. In case of adequacy of cash with the fund, this strategy may be used to enhance returns of the Scheme which was otherwise sitting on cash.

Risk associated with this strategy:

- 1.Lack of opportunities available in the market
- 2.Risk of mispricing or improper valuation
- 3.Inability of the derivatives to correlate perfectly with underlying security
- 4.Execution risk, whereby the rates seen on the screen may not be the rates at which the ultimate execution takes place.

(c) Buying stock future: Where the scheme wants to initiate a long position in a stock whose spot price is at say, Rs.1000 and futures is at 980, then the fund may just buy the futures contract instead of the spot thereby benefiting from a lower cost option.

Risk associated with this strategy:

- 1.Lack of opportunities available in the market
- 2.Risk of mispricing or improper valuation
- 3.Inability of the derivatives to correlate perfectly with underlying security
- 4.Execution risk, whereby the rates seen on the screen may not be the rates at which the ultimate execution takes place.

(d) In case the fund has a bearish view on a stock which is trading in the spot market at Rs.1000/- and the futures market at say Rs.980/-. The fund can express such a view subject to extant SEBI regulations by initiating a short position in the futures contract. In case the view is right and the futures price depreciates to say 900/- the fund can square up the short position thereby earning a profit of Rs. 80/-

Risk associated with this strategy:

- 1.Lack of opportunities available in the market
- 2.Risk of mispricing or improper valuation
- 3.Inability of the derivatives to correlate perfectly with underlying security
- 4.Execution risk, whereby the rates seen on the screen may not be the rates at which the ultimate execution takes place.

The AMC retains the right to enter into such derivative transactions as may be permitted by the applicable regulations from time to time.

Debt Derivatives

In terms of Circular No. MFD.BC.191/07.01.279/1999-2000 and MPD.BC.187/07.01.279/1999-2000 dated November 1, 1999 and July 7, 1999 respectively issued by Reserve Bank of India permitting participation by Mutual Funds in Interest Rate Swaps and Forward Rate Agreements, the Fund will use derivative instruments for the purpose of hedging and portfolio balancing. The AMC would undertake the same for similar purposes only.

Interest Rate Swaps (IRS)

An IRS is an agreement between two parties to exchange stated interest obligations for an agreed period in respect of a notional principal amount. The most common form is a fixed to floating rate swap where one party receives a fixed (pre-determined) rate of interest while the other receives a floating (variable) rate of interest.

Forward Rate Agreement (FRA)

A FRA is basically a forward starting IRS. It is an agreement between two parties to pay or receive the difference between an agreed fixed rate (the FRA rate) and the interest rate (reference rate) prevailing on a stipulated future date, based on a notional principal amount for an agreed period. The only cash flow is the difference between the FRA rate and the reference rate. As is the case with IRS, the notional amounts are not exchanged in FRAs.

EXAMPLE OF A DERIVATIVES TRANSACTION

Basic Structure of a Swap

Bank A has a 6 month Rs 10 crore liability, currently being deployed in call. Bank B has a Rs 10 crore 6 month asset, being funded through call. Both banks are running an interest rate risk.

To hedge this interest rate risk, they can enter into a 6 month MIBOR (Mumbai Inter Bank Offered Rate) swap. Through this swap, A will receive a fixed preagreed rate (say 7%) and pay "call" on the NSE MIBOR ("the benchmark rate"). Bank A's paying at "call" on the benchmark rate will neutralise the interest rate risk of lending in call. B will pay 7% and receive interest at the benchmark rate. Bank A's receiving of "call" on the benchmark rate will neutralise his interest rate risk arising from his call borrowing.

The mechanism is as follows:

- Assume the swap is for Rs.10 crore from March 1, 2002 to September 1, 2002. A is a fixed rate receiver at 7% and B is a floating rate receiver at the overnight compounded rate.
- On March 1, 2002 A and B will exchange only an agreement of having entered this swap. This documentation would be as per International Swaps and Derivatives Association (ISDA).
- On a daily basis, the benchmark rate fixed by NSE will be tracked by them. On September 1, 2002 they will calculate the following:
- A is entitled to receive interest on Rs.10 crore at 7% for 184 days i.e. Rs. 35.28 lakh, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.

- B is entitled to receive daily compounded call rate for 184 days & pay 7% fixed.
- On September 1, 2002, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 35.28 lakhs, A will pay B the difference. If the daily compounded benchmark rate is lower, then B will pay A the difference.
- Effectively Bank A earns interest at the rate of 7% p.a. for six months without lending money for 6 months fixed, while Bank B pays interest @ 7% p.a. for 6 months on Rs. 10 crore, without borrowing for 6 months fixed.

Procedure & Recording of Investment Decisions and Risk Control

All investment decisions, relating to the Scheme, will be undertaken by the AMC in accordance with the Regulations and the investment objectives specified in this Scheme Information Document. All investment decisions taken by the AMC in relation to the Scheme shall be recorded.

The Investment Management Committee (IMC) consisting of senior employees including the Managing Director of the AMC to over see the Investment function, will be responsible for laying down the broad Investment Policy and the Specific scheme mandates, in addition to monitoring scheme performance and reviewing portfolio strategy. The risk control parameters would be laid down for each scheme based on the objectives of the scheme and prudent fund management practices will ensure that investor monies are invested in the appropriate risk/reward environment. The AMC would ensure that investments are made in accordance with the regulatory / internal guidelines, if any. Internal guidelines may be set by the AMC from time to time and reviewed in line with the market dynamics.

The designated Fund manager of the scheme will be responsible for taking the day-to-day investment decisions and will inter-alia be responsible for asset allocation, security selection and timing of investment decisions.

In the event the S&P CNX Nifty is dissolved or is withdrawn by IISL or is not published due to any reason whatsoever, the Trustee reserves the right to modify the scheme so as to track a different suitable index and/or to suspend tracking the Nifty and appropriate intimation of the same will be sent to the Unit holders of the scheme. In such a case, the investment pattern will be suitably modified to bring it in line with the composition of the securities that are included in the new index to be tracked and the performance of the scheme will be subject to tracking errors during the intervening period.

In case of investments in debt instruments, the AMC aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, the investment team of the AMC will carry out requisite credit evaluation of the securities. Rated Debt instruments in which the Scheme invests will be of investment grade as rated by a credit rating agency. The AMC will be guided by the ratings of Rating Agencies such as CRISIL, CARE, ICRA and Fitch or any other rating agencies that may be registered with SEBI from time to time. In case a debt instrument is not rated, prior approval of the Board of Directors of Trustee and the AMC will be obtained for such an investment.

The AMC may approach rating agencies such as CRISIL, ICRA, etc for ratings of the scheme. The Scheme may use various derivatives and hedging products from time to time, as would be available and permitted by SEBI, in an attempt to protect the value of the portfolio and enhance Unit holders' interests.

The Scheme may invest in other Schemes managed by the AMC or in the Schemes of any other Mutual Funds, provided it is in conformity to the investment objectives of the Scheme and in terms of the prevailing Regulations. As per the Regulations, no investment management fees will be charged for such investments and the aggregate inter-Scheme investment made by all Schemes of IDFC Mutual Fund or in the Schemes under the management of other asset management companies shall not exceed 5% of the net asset value of the IDFC Mutual Fund. The limit however does not apply to any Fund of Funds scheme.

For the present, the Scheme does not intend to enter into underwriting obligations. However, if the Scheme does enter into an underwriting agreement, it would do so after complying with the Regulations.

Portfolio Turnover

Portfolio turnover in the scheme will be a function of market opportunities. It is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio. The AMC will endeavor to optimize portfolio turnover to optimize risk adjusted return keeping in mind the cost associated with it. A high portfolio turnover rate is not necessarily a drag on portfolio performance and may be representative of investment opportunities that exist in the market.

Tracking Error

The extent to which the NAV of the scheme moves in a manner inconsistent with the movements of the total returns of the Nifty on any given day or over any given period of time arising from any cause or reason whatsoever including but not limited to differences in the weightage of the investments in the securities and the weightage to such securities in the Nifty and the time lags in deployment or realization of funds under the Scheme as compared to the movement of or within the Nifty as well as the market liquidity, cost of trading, management and other expenses.

Tracking errors may result from a variety of factors including but not limited to:

- Any delay experienced in the purchase or sale of shares due to illiquidity of the market, settlement and realization of sale proceeds and / or the registration of any securities transferred and / or any delays in receiving cash dividends and resulting delays in reinvesting them.
- The Nifty reflect the prices of securities at close of business hours. However, the Fund may buy or sell the securities at different points of time during the trading session at the then prevailing prices which may not correspond to the closing prices on the NSE.
- IISL undertakes periodic reviews of the fifty securities that are represented in the Nifty and from time to time may exclude existing securities or include new ones In such an event, the Fund will endeavour to reallocate its portfolio but the available investment/ disinvestment opportunities may not permit precise mirroring of the Nifty in a short period of time.
- The charging of expenses to the Fund including investment management fees and custodian fees.
- The potential for trades to fail which may result in the Scheme not having acquired shares at a price necessary to track the index.
- The holding of a cash position and accrued income prior to distribution and accrued expenses.
- Disinvestments to meet redemptions, recurring expenses, dividend payouts etc.

F. FUNDAMENTAL ATTRIBUTES

Following are the Fundamental Attributes of the scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

(i) Type of the scheme

Open Ended Index Linked Equity Fund

(ii) Investment Objective

The investment objective of the scheme is to replicate the S&P CNX Nifty index by investing in securities of the CNX Nifty Index in the same proportion/weightage.

However, there is no assurance or guarantee that the objectives of the scheme will be realized and the scheme does not assure or guarantee any returns.

Asset Allocation Pattern as defined in Section C

(iii) Terms of Issue

Redemption of Units as detailed in Section III B of this document.

Fees and Expenses as specified in Section IV B of this document,

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations, the Trustees shall ensure that no change in the fundamental attributes of the Scheme(s) and the / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unitholders are given an option for a period of 30 days to exit at the prevailing Net Asset Value without any exit load.

G. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

Since the fund endeavours to mirror the S&P CNX Nifty Index, the benchmark will be S&P CNX Nifty Index.

H. WHO MANAGES THE SCHEME?

The Fund Manager of the Scheme will be Mr. Tridib Pathak

INVESTMENT BY AMC IN THE SCHEME

The AMC may invest in the Scheme from time to time. As per the Regulations, such investments are permitted subject to disclosure being made in the Scheme Information Document. However, the AMC shall not be entitled to charge any management fee on its investments in the Scheme. The maximum extent of investment by the AMC at any given time shall not exceed the networth of the AMC.

I. WHAT ARE THE INVESTMENT RESTRICTIONS?

Pursuant to the Regulations and amendments thereto, the following investment restrictions are presently applicable to all the Scheme/s:

- 1) The Fund under all its schemes shall not own more than 10% of any company's paid up capital carrying voting rights.
- 2) The Scheme shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relative securities and in all cases of sale, deliver the securities and shall in no case put itself in a position whereby it has to make short sale or carry forward transaction or engage in badla finance.
- 3) The Scheme shall not invest more than 5% of its net assets in the unlisted equity shares or equity related instruments.
- 4) Debt instruments in which the Scheme invests should be rated as investment grade by a credit rating agency. Till the regulations so require, not more than 15% of the Net Assets of the Scheme shall be invested in debt instruments issued by a single issuer. Provided that such investment limit may be exceeded to 20% of the Net Assets of the Scheme with the prior approval of the Board of Trustees and the Board of AMC till such time the regulation requires such approvals. Provided that such limit shall not be applicable for investments in government securities and money market instruments. Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a rating agency registered with SEBI No mutual fund scheme shall invest more than thirty percent of its net assets in money market instruments of an issuer.
Provided that such limit shall not be applicable for investments in Government securities, treasury bills and collateralized borrowing and lending obligations.”
- 5) All investments in unrated debt instruments shall be made with the prior approval of the Board of the AMC and the Trustee till the regulations so require. SEBI vide its circular no. MFD/CIR/9/120/2000 dated November 24, 2000 has permitted the Mutual Fund to constitute a committee for Investment in Unrated debt Instruments. The said committee can approve such investments based on parameters laid down by the Board of AMC and the Trustees and details of such investments should be communicated by the AMC to the Trustees in their periodical/ quarterly reports along with a disclosure regarding how the parameters have been complied with. Further, the Scheme shall not invest more than 10% of its Net Assets in unrated instruments by a single issuer and the total investment in such instruments shall not exceed 20% of the Net Assets of the Scheme till the regulations so require. Provided further that investment within such limit can be made in mortgaged backed securitised debt, which are rated not below investment grade by a rating agency, registered with the Board.
6. Till the regulations so require, the Scheme shall not make any investment in:
 - a) any unlisted security of an associate or group company of the sponsor;

- b) any security issued by way of private placement by an associate or group company of the sponsor or
 - c) the listed securities of group companies of the sponsor which is in excess of 25% of the net assets.
7. Transfer of investments from one Scheme to another Scheme in the same Mutual Fund is permitted provided:
 - a) such transfers are done at the prevailing market price for quoted instruments on a spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); transfer of unquoted securities will be made as per the policies laid down by the Trustees from time to time, and
 - b) the securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.
 8. The Scheme may invest in other Schemes under the same AMC or any other Mutual Fund without charging any fees, provided the aggregate inter-Scheme investment made by all the Schemes under the same management or in Schemes under management of any other asset management company shall not exceed 5% of the Net Asset Value of the Fund. Provided that this clause shall not apply to any Fund of Funds scheme.
 9. The Fund shall get the securities purchased transferred in the name of the Fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.
 10. The Fund may buy and sell securities on the basis of deliveries and will not make any short sales or engage in carry forward transactions except as and when permitted by the RBI in this regard (for example “when issued market” transactions).
 11. All the Scheme’s investments will be in transferable securities or bank deposits or in money at call or any such facility provided by RBI in lieu of call.
 12. No loans for any purpose can be advanced by the Scheme.
 13. The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of repurchase/ redemption of units or payment of interest and/or dividend to the Unitholders, provided that the Fund shall not borrow more than 20% of the net assets of the individual Scheme and the duration of the borrowing shall not exceed a period of 6 months.
 14. Pending deployment of funds of a Scheme in securities in terms of investment objectives of the Scheme, the AMC can invest the funds of the Scheme in short-term deposits of scheduled commercial banks or in call deposits.
 15. The Scheme may also use various derivative products from time to time, as are available and in line with SEBI Regulations
 16. The scheme shall not make any investment in a Fund of Funds scheme.

The Scheme will comply with SEBI regulations and any other Regulations applicable to the investments of Mutual Funds from time to time. The Trustees may alter the above restrictions from time to time to the extent that changes in the Regulations may allow and/or as deemed fit in the general interest of the Unitholders.

All investment restrictions shall be applicable at the time of making the investment.

As per SEBI Circular MFD/CIR/09/014/2000 dated January 5, 2000 “the investments by index funds shall be in accordance with the weightage of the scrips in the specific index as disclosed in the Scheme Information Document. In case of sector/industry specific scheme, the upper ceiling on investments may be in accordance with the weightage of the scrips in the respective sectoral index/sub index or 10% of the NAV of the scheme whichever is higher.”

J. HOW HAS THE SCHEME PERFORMED?

This scheme is a new scheme and does not have any performance track record

III. UNITS AND OFFER

This section provides details you need to know for investing in the scheme.

A. NEW FUND OFFER (NFO)

New Fund Offer (This is the period during which a new scheme sells its units to the investors)

NFO opens on: April 12, 2010

NFO closes on: April 23, 2010

The Trustees reserve the right to extend the closing date, subject to the condition that subscription list shall be kept open for not more than 30 days. Any extension to the subscription list shall be notified by a suitable display at official points of acceptance of transactions

New Fund Offer Price

Rs. 10 /-

Minimum Amount for Application in the NFO and during the ongoing offer

The minimum application amount per plan is Rs. 500/- and in multiple of Re. 1/- thereafter. There would be no maximum limit.

Minimum Target Amount during the NFO:

Rs. 1,00,00,000

In accordance with the Regulations, if the scheme fails to collect the minimum subscription amount as specified above, the Fund shall be liable to refund the money to the applicants.

In addition to the above, refund of subscription money to applicants whose applications are invalid for any reason whatsoever will commence immediately after the allotment process is completed. Refunds will be completed within 6 weeks of close of New Fund Offer. If the Fund refunds the amount after six weeks, interest @ 15% per annum shall be paid by the AMC. Refund orders will be marked 'Account Payee Only' and drawn in the name of applicant in the case of sole applicant and in the name of first applicant in all other cases.

Maximum Amount to be raised (if any)

Not Applicable. The AMC reserves the right to specify maximum amount to be raised, at the time of New Fund Offer.

Options offered

Under the scheme, investors may choose either the Growth Option or the Dividend Option

(i) Growth Option

The scheme will generally not declare any dividend under this option. The income attributable to units under this option will continue to remain invested in the scheme and will reflected in the Net Asset Value of units under this option.

(ii) Dividend Option

Under this option, the Fund will endeavour to declare dividends as and when deemed fit by the Fund and/or on &/or before the closure of the scheme. In case no dividend is declared during the tenure of the scheme or at closure, the net surplus, if any, will remain invested and be reflected in the NAV.

Dividends, if declared, will be paid out of the net surplus of the Scheme to those Unitholders whose names appear in the Register of Unitholders on the record date. The actual date for declaration of dividend will be notified suitably to the Registrar. Unitholders are entitled to receive dividend within 30 days of the date of declaration of the dividend. However, the Mutual Fund will endeavour to make dividend payments sooner to Unitholders. There is no assurance or guarantee to Unitholders as to the rate of dividend distribution nor that dividends will be paid, though it is the intention of the Mutual Fund to make dividend distributions.

For details on taxation of dividend, please refer to the section on 'Tax Benefits of Investing in the Mutual Fund' in the Statement of Additional Information.

The Investors should note that NAVs of the Dividend Option and the Growth Option will be different after the declaration of dividend under the Scheme.

Dividend Re investment facility:

Investors opting for the Dividend Option may choose to re-invest the dividend to be received by them in additional Units of the Scheme. Under this provision, the dividend due and payable to the Unitholders will compulsorily and without any further act by the Unitholders, be re-invested in the same option (at the first ex-dividend NAV). The dividends so re-invested shall constitute a constructive payment of dividends to the Unitholders and a constructive receipt of the same amount from each Unitholder for re-investment in Units.

On re-investment of dividends, the number of Units to the credit of the Unitholder will increase to the extent of the dividend re-invested divided by the NAV applicable as explained above. There shall, however, be no entry load on the dividends so re-invested

In case the investor does not opt for any option, Growth shall be the default option. Further, in case the investor selects the dividend option and does not specify the sub-option, dividend reinvestment shall be the default option.

Dividend Policy

Dividend declaration and distribution shall be in accordance with SEBI Regulations as applicable from time to time. The AMC reserves the right to declared dividend from time to time, depending on availability of distributable surplus.

Allotment

Full allotment will be made to all valid applications received during the New Fund Offer Period of respective Plan(s). Allotment of Units, shall be completed not later than 30 days after the close of the New Fund Offer Period.

ACCOUNT STATEMENTS

An Account Statement will be sent by ordinary post / courier / any other permitted mode, to each Unitholder, stating the number of Units allotted, not later than 30 Days from the close of the New Fund Offer Period / date of transaction (during the continuous offer). The account statement shall not be

construed as a proof of title and is only a computer generated statement indicating the details of transactions under the Scheme and is a non-transferable document. The account statement will be issued in lieu of Unit Certificate/s.

UNIT CERTIFICATES

Normally no Unit Certificates will be issued. However, if the applicant so desires, the AMC shall issue a non-transferable Unit Certificate to the applicant within 6 weeks of the receipt of request for the certificate. A Unit Certificate if issued must be duly discharged by the Unitholder(s) and surrendered along with the request for redemption/switch or any other transaction of Units covered therein.

REFUND

In accordance with the Regulations, if the Scheme fails to collect the minimum subscription amount as specified above, the Fund shall be liable to refund the money to the applicants.

In addition to the above, refund of subscription money to applicants whose applications are invalid for any reason whatsoever will commence immediately after the allotment process is completed. Refunds will be completed within six weeks of the close of the New Fund Offer Period. If the Fund refunds the amount after six weeks, interest @ 15% per annum shall be paid by the AMC. Refund orders will be marked "Account Payee only" and drawn in the name of the applicant in the case of the sole applicant and in the name of the first applicant in all other cases.

Mode of Payment

Investors may make payments for subscription to the Units of the Scheme at the bank collection centres by local Cheque/Pay Order/Bank Draft, drawn on any bank branch, which is a member of Bankers Clearing House located in the Official point of acceptance of transactions where the application is lodged or by giving necessary debit mandate to their account or by any other mode permitted by the AMC.

Cheques/Pay Orders/Demand Drafts should be drawn as follows:

1. The Cheque/DD/Payorder should be drawn in favour of “**IDFC Nifty Fund**”, as the case may be, as mentioned in the application form/addendum at the time of the launch.

Please note that all cheques/DDs / payorders should be crossed as "Account payee".

2. Centres other than the places where there are Official point of acceptance of transactions as designated by the AMC from time to time, are Outstation Centres. Investors residing at outstation centres should send demand drafts drawn on any bank branch which is a member of Bankers Clearing House payable at any of the places where an Official point of acceptance of transactions is located.

Payments by cash, money orders, postal orders, stockinvests and out-station and/or post dated cheques will not be accepted.

MANDATORY QUOTING OF BANK MANDATE AND PAN NUMBER BY INVESTORS

Pursuant to SEBI Circular No. SEBI/IMD/CIR No. 6/4213/04 dated March 1, 2004 it is mandatory for investors to mention their bank account number in their application/request for redemption. As per SEBI Circular No. MRD/DoP/Cir- 05/2007 dated April 27, 2007, it is now mandatory that Permanent Account Number (PAN) issued by the Income Tax Department would be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction. Accordingly investors will be required to furnish a copy of PAN together with request for fresh purchases, additional purchases and systematic investments registration (SIP) (SIP in case the aggregate investment is more than 50, 000 p.a). All SIP applications with total investments of Rs 50, 000 or more in one financial year are classified as “Normal SIP” and PAN number is mandatory for all such applications. However if the total investment is less than Rs 50,000/-, in one financial year it is classified as Micro SIP. Pursuant to the requirement of SEBI circular dated June 19, 2009, investor participating only in micro-pension i.e Micro SIP, may not be required to obtain PAN. However any one of the following PHOTO identification

documents can be submitted along with Micro SIP application as a proof of identification (self attested by the investor or ARN holder) in lieu of PAN:

1. Voter Identity Card
2. Driving License
3. Government / Defense identification card
4. Passport
5. Photo Ration Card
6. Photo Debit Card (Credit card not included because it may not be backed up by a bank account).
7. Employee ID cards issued by companies registered with Registrar of Companies (database available in the following link of Ministry of Company affairs <http://www.mca.gov.in/DCAPortalWeb/dca/MyMCALogin.do?method=setDefaultProperty&mode=31>)
8. Photo Identification issued by Bank Managers of Scheduled Commercial Banks / Gazetted Officer / Elected Representatives to the Legislative Assembly / Parliament
9. ID card issued to employees of Scheduled Commercial / State / District Co-operative Banks.
10. Senior Citizen / Freedom Fighter ID card issued by Government.
11. Cards issued by Universities / deemed Universities or institutes under statutes like ICAI, ICWA, ICSI.
12. Permanent Retirement Account No (PRAN) card issued to New Pension System (NPS) subscribers by CRA (NSDL).
13. Any other photo ID card issued by Central Government / State Governments /Municipal authorities / Government organizations like ESIC / EPFO.

Application Forms without these information and documents will be considered incomplete and are liable to be rejected without any reference to the investors. The procedure implemented by the AMC and the decisions taken by the AMC in this regard shall be deemed final.

LISTING AND TRANSFER OF UNITS

The Units of the Scheme are presently not proposed to be listed on any stock exchange and no transfer facility is provided. However, the Fund may at its sole discretion list the Units under the Scheme on one or more Stock Exchanges at a later date, and thereupon the Fund will make a suitable public announcement to that effect.

If a person becomes a holder of the Units consequent to operation of law, or upon enforcement of a pledge, the Fund will, subject to production of satisfactory evidence, effect the transfer, if the transferee is otherwise eligible to hold the Units. Similarly, in cases of transfers taking place consequent to death,

insolvency etc., the transferee's name will be recorded by the Fund subject to production of satisfactory evidence.

PLEDGE OF UNITS FOR LOANS

The Units can be pledged by the Unitholders as security for raising loans subject to the conditions of the lending institution. The Registrar will take note of such pledge (by marking a lien etc.) / charge in its records. Disbursement of such loans will be at the entire discretion of the lending institution and the fund assumes no responsibility thereof.

The pledgor will not be able to redeem Units that are pledged until the entity to which the Units are pledged provides written authorisation to the fund that the pledge/lien charge may be removed. As long as Units are pledged, the pledgee will have complete authority to redeem such Units. Decision of the AMC shall be final in all cases of lien marking.

SUSPENSION OF REDEMPTION / REPURCHASE OF UNITS AND DIVIDEND DISTRIBUTION

The Mutual Fund at its sole discretion reserves the right to withdraw repurchase or switching of Units of the Scheme, temporarily or indefinitely, if in the opinion of the AMC the general market conditions are not favourable and /or suitable investment opportunities are not available for deployment of funds. However, the suspension of repurchase/switching either temporarily or indefinitely will be with the approval of the trustee. The AMC reserves the right in its sole discretion to withdraw the facility of switching out of the Scheme, temporarily or indefinitely. Further, the AMC & Trustee may also decide to temporarily suspend determination of NAV of the Scheme offered under this Document, and consequently redemption of Units, declaration and distribution of dividend in any of the following events:

1. When one or more stock exchanges or markets, which provide basis for valuation for a substantial portion of the assets of the Scheme are closed otherwise than for ordinary holidays.
2. When, as a result of political, economic or monetary events or any circumstances outside the control of the Trustee and the AMC, the disposal of the assets of the Scheme is not reasonable, or would not reasonably be practicable without being detrimental to the interests of the Unitholders.
3. In the event of a breakdown in the means of communication used for the valuation of investments of the Scheme, without which the value of the securities of the Scheme cannot be accurately calculated.
4. During periods of extreme volatility of markets, which in the opinion of the AMC are prejudicial to the interests of the Unitholders of the Scheme.
5. In case of natural calamities, strikes, riots and bandhs.
6. In the event of any force majeure or disaster that affects the normal functioning of the AMC or the Registrar.
7. During the period of Book Closure.
8. If so directed by SEBI.

In the above eventualities, the time limits indicated above, for processing of requests for redemption of Units and/or distribution of dividend will not be applicable. Further an order to purchase units is not binding on and may be rejected by the Trustee, the AMC or their respective agents until it has been confirmed in writing by the AMC or its agents and payment has been received. The suspension or restriction of repurchase/redemption facility under the scheme shall be made applicable only after the approval of the Board of Directors of the Asset Management Company and the Trustee and the details of the circumstances and justification for the proposed action shall be informed to SEBI in advance.

PHONE TRANSACT

All individual investors in the scheme applying on “Sole” or “Anyone or Survivor” basis in their own capacity shall be eligible to avail of phonebanking facilities for permitted transactions inter alia on the following terms and conditions:

“Terms and Conditions” mean the terms and conditions set out below by which the Facility shall be used/availed by the Unit holder and shall include all modifications and supplements made by AMC thereto from time to time.

In order to access the Facility, the Unit holder shall be required to give Basic Identification Data (BID) to IDFC Asset Management Company Pvt. Ltd. (AMC) based on which the AMC may allow access to the Facility. The BID may be enhanced / modified by the AMC from time to time. The unit holder must provide additional BID as & when required by the AMC.

The AMC has a right to ask such information from the available data of the Unit holder before allowing him/her access to avail of the Facility. If for any reason, the AMC is not satisfied with the replies of the Unit holder, the AMC has at its sole discretion the right of refusing access without assigning any reasons to the Unit holder.

It is clarified that the Facility is only with a view to accommodate /facilitate the Unit holder and offered at the sole discretion of the AMC. The AMC is not bound and/or obliged in any ways to give access to Facility to Unit holder.

AMC may periodically provide the Unit holder with a written statement of all the transactions made by the Unit holder on a regular/as & when basis, as is being currently done.

The Unit holder shall check his/her account records carefully and promptly. If the Unit holder believes that there has been a mistake in any transaction using the Facility, or that unauthorised transaction has been effected, the Unit holder shall notify AMC immediately. If the Unit holder defaults in intimating the alleged discrepancies in the statement within a period of thirty days of receipt of the statements, he waives all his rights to raise the same in favour of the AMC, unless the discrepancy /error is apparent on the face of it.

By opting for the facility the Unit holder hereby irrevocably authorises and instructs the AMC to act as his /her agent and to do all such acts as AMC may find necessary to provide the Facility.

The Unit holder shall not disclose/divulge the BID to any person and shall ensure that no person gains access to it.

The Unit holder shall at all times be bound by any modifications and/or variations made to these Terms and Conditions by the AMC at their sole discretion and without notice to them.

The Unit holder agrees and confirms that the AMC has the right to ask the Unit holder for an oral or written confirmation of any transaction request using the Facility and/or any additional information regarding the Account of the Unit holder.

The Unit holder agrees and confirms that the AMC may at its sole discretion suspend the Facility in whole or in part at any time without prior notice if (i) the Unit holder does not comply with any of the Terms and Conditions or any modifications thereof, (ii) the AMC has the reason to believe that such processing is not in the interest of the Unit holder or is contrary to Regulation/Scheme Information Document/amendments to the Scheme Information Document and (iii) otherwise at the sole discretion of

the AMC in cases amongst when the markets are volatile or when there are major disturbances in the market, economy, country, etc.

The Unit holder shall not assign any right or interest or delegate any obligation arising herein.

The Unit holder agrees that it shall be his/her sole responsibility to ensure protection and confidentiality of BID and any disclosures thereof shall be entirely at the Unit holder's risk.

The Unit holder shall take responsibility for all the transactions conducted by using the Facility and will abide by the record of transactions generated by the AMC. Further, the Unit Holder confirms that such records generated by the AMC shall be conclusive proof and binding for all purposes and may be used as evidence in any proceedings and unconditionally waives all objections in this behalf.

The Unit holder shall, in case of accounts opened in the names of minors and being the natural guardian of such minor, give all instructions relating to the operation of the account and shall not, at any point of time disclose the BID to the minor / any other person

AMC shall be notified immediately if a record of the BID, is lost or stolen or if the Unit holder is aware or suspects another person knows or has used his/her BID without authority.

The Unit holder agrees and acknowledges that any transaction, undertaken using the Unit holder's BID shall be deemed to be that of the Unit holder. If any third party gains access to the Facility, the Unit holder agrees to indemnify the AMC and its directors, employees, agents and representatives against any liability, costs, or damages arising out of claims or suits by such other third parties based upon or related to such access or use.

The Unit holder agrees that use of the Facility will be deemed acceptance of the Terms and Conditions and the Unit holder will unequivocally be bound by these Terms and Conditions.

Indemnities in favour of the IDFCAMC:

The Unit holder shall not hold the AMC liable for the following:

For any transaction using the Facilities carried out in good faith by the AMC on instructions of the Unit holder.

For the unauthorized usage/unauthorised transactions conducted by using the Facility.

For any loss or damage incurred or suffered by the Unit holder due to any error, defect, failure or interruption in the provision of the Facility arising from or caused by any reason whatsoever.

For any negligence / mistake or misconduct by the Unit holder and/or for any breach or non-compliance by the Unit holder of the rules/terms and conditions stated in this Agreement.

For accepting instructions given by any one of the Unit holder in case of joint account/s having mode of operations as "Either or Survivor" or "anyone or survivor".

For not verifying the identity of the person giving the telephone instructions in the unit holder name.

For not carrying out any such instructions where the AMC has reason to believe (which decision of the AMC the Unit holder shall not question or dispute) that the instructions given are not genuine or are otherwise improper, unclear, vague or raise a doubt.

The AMC may assign any of its rights under these terms and conditions without the consent of the Unit holder to any of the AMC's group companies, subsidiary or Associate Company or such other company which the AMC deems suitable for provision of this Facility.

All other investors in the scheme/plan will be eligible to avail of phone banking facilities for permitted transactions (as may be decided by the AMC from time to time) by entering into an agreement with the AMC/Mutual Fund. Requests like change in bank mandate, change of nomination, change in mode of holding, change of address or such other requests as the AMC may decide from time to time will not be permitted using the phone banking facility. The AMC/Mutual Fund reserves the right to modify the terms and conditions of the service from time to time as may be deemed expedient or necessary.

SO 17 b

SWITCH FACILITY

Switching from any Schemes of the Mutual Fund to this Scheme

Unitholders under the Scheme have the option to switch part or all of their holdings in any scheme launched by the Mutual Fund, or within the Scheme from one Option to another, subject to conditions attached to that scheme, which is available for investment at that time. This Option will be useful to Unitholders who wish to alter the allocation of their investment among the scheme(s)/ plans of the Mutual Fund in order to meet their changed investment needs or risk profiles.

The switch will be effected by way of a redemption of Units from one Scheme / Plan/ Option and a reinvestment of the redemption proceeds in the other Scheme/ Plan/ sub plan/option and accordingly, to be effective, the switch must comply with the redemption rules of the Scheme and the issue rules of the

other scheme (for e.g. as to the minimum number of Units that may be redeemed or issued). The price at which the Units will be switched out of the Scheme/options will be based on the Applicable NAV of the relevant Scheme/ Plan(s)/ sub plans/options and considering any exit loads if any that the AMC/ Trustee may approve from time to time.

Investors who hold Units in any open ended schemes launched or to be launched hereafter of the Mutual Fund and also investors who holds Units in Plan(s) of any close ended scheme launched or to be launched hereafter, may switch all or part of their holdings to any of the scheme available for subscription under this SID during the New Fund Offer Period of the scheme. The switch from any close ended fund will be subject to applicable repurchase &/or maturity date of the respective Scheme(s) or Plan(s) and will be permitted only on such dates of respective Plans/Schemes.

Investors so desiring to switch may submit a switch request, already available with them along with an application form of the Scheme indicating therein the details of the scheme to which the switch is to be made. Applications for switch as above should specify the amount/Units to be switched from out of the Units held in any of the existing Schemes of the Fund. The switch request will be subject to the minimum application size and other terms and conditions of the SID of this Scheme and the scheme from which the amount is switched out.

The Applicable NAV for switching out of the existing open-ended funds will be the NAV of the Business Day on which the switch request, complete in all respects, is accepted by the AMC, subject to the cut-off time and other terms specified in the SID of the respective existing open-ended Schemes. Similarly the applicable NAV for switching out of the existing close – ended funds will be the applicable NAV (after considering applicable loads) on the specified repurchase date for such Plan(s), subject to the switch request, complete in all respects, being accepted by the AMC, and subject to the availability of repurchase facility and other terms specified in the SID of the respective existing closed-end Schemes.

Investors should note that the amount invested under Sections 54EB in the Investment Plans of IDFC Super Saver Income Fund would have to be locked-in for a period of seven years and the Units so allotted cannot be switched to another Scheme/option during the lock-in period of seven years. This is subject to any change that may be effected in the Income-tax Act, 1961 or any guidelines / amendments / rules / clarifications issued by the Central Board of Direct Taxes.

Switch from this Scheme to any other eligible Schemes of the Mutual Fund

Investors who hold Units of the Scheme may switch all or part of their holdings to any (to be launched hereafter) other Open-end/close- ended Scheme/s (where switch-in is permitted) of the Mutual Fund.

Investors so desiring to switch may submit a switch request, already available with them, indicating therein the details of the Scheme or any other Scheme of the Mutual Fund to which the switch is to be made. Applications for switch as above should specify the amount/Units to be switched from out of the Units held. The switch request will be subject to the minimum application size and other terms and conditions under this Scheme information document and the terms and conditions of the Scheme to which the amount is switched into.

Note:

The switch will be effected by redeeming Units from the Scheme in which the Units are held and investing the net proceeds in the other Scheme(s)/Plan(s), subject to the minimum balance applicable for the respective Scheme(s)/ Plan(s).

The price at which the Units will be switched out of the Scheme(s) /Plan(s) will be based on the Applicable NAV of the relevant Scheme(s)/ Plan(s) and after considering any exit loads that the Trustee may approve from time to time

Cut off timing for subscriptions/ redemptions/ switches

The Scheme is an open ended equity scheme. Subscription facility is available on a continuous basis.

The following cut-off timings shall be observed by the fund in respect of repurchase / switch out of units in the scheme / plans, and the following NAVs shall be applied for such repurchase / switch out (repurchase / switch out facility shall be on specified repurchase date(s) / at maturity) :

- a. where the application received upto 3.00 pm – closing NAV of the day of receipt of application; and
- b. an application received after 3.00 pm – closing NAV of the next business day.

Where can the applications for purchase/redemption switches be submitted?

The redemption/ repurchase requests can be made on the transaction slip for redemption available at the Official point of acceptance of transactions or the office of the Registrar or the offices of the AMC on any business day (as per details given in the last few pages and the back cover page of this document).

In case the Units are standing in the names of more than one Unitholder, where mode of holding is specified as 'Jointly', redemption requests will have to be signed by all joint holders. However, in cases of holding specified as 'Anyone or Survivor', any one of the Unitholders will have the power to make redemption requests, without it being necessary for all the Unitholders to sign. However, in all cases, the proceeds of the redemption will be paid only to the first-named holder.

The Unitholder may either request for mailing of the redemption proceeds to his/her address or the collection of the same from the Official point of acceptance of transactions.

Minimum Application Amount (subscription): Rs. 500/- per application and in multiples of Re. 1/- thereafter

Minimum amount for redemption: Rs 1

Minimum balance to be maintained and consequences of non maintenance: Re. 1/-. The Fund may close a Unitholder's account if, as a consequence of redemption/ repurchase, the balance falls below Re. 1/-. In such a case, entire Units to the Unitholder's account will be redeemed at the Applicable NAV with the applicable Load, if any, and the account will be closed

Special Products / facilities available during the New Fund offer and the Ongoing offer

SYSTEMATIC INVESTMENT PLAN (SIP)

Unitholders of the scheme can avail the benefit of opting for SIP. For a SIP the unitholder is required to invest specified sum of money each month, being minimum amounts of Rs.500/- respectively, i.e. Unitholders who wish to invest on a monthly basis can invest a minimum of Rs. 500/- and in multiples of Re 1/- thereafter.

The unitholder wish to opt for monthly SIP has to commit investment by providing the Registrar with at least six post dated cheques/debit mandate/mandate form for Electronic Clearing System (ECS)/ such other instrument as recognized by AMC from time to time for a block of 6 months in advance.

SIP can commence on any date as desired and specified by the unitholder in SIP application form. cheques/debit mandate/mandate form for Electronic Clearing System (ECS)/ such other instrument as recognized by AMC from time to time should be drawn in favour of the respective schemes.

SIP will also be available for weekly and fortnightly basis. In case of weekly SIP, SIP is available on 7th, 14th, 21st and 28th of the month and in case of fortnightly on the 1st & 16th of the month. If SIP day falls on non-business day, the SIP transaction shall be processed on the next business day. Investor shall also avail the daily SIP facility.

SIP will also be available to investors during the New Fund Offer.

The AMC reserves the right to introduce SIPs at such other frequencies such as quarterly / half-yearly etc. as the AMC may feel appropriate from time to time.

SYSTEMATIC WITHDRAWAL PLAN (SWP):

Unitholders of the Scheme have the benefit of enrolling themselves in the Systematic Withdrawal Plan. The SWP allows the Unitholder to withdraw a specified sum of money periodically from his investments in the Scheme. SWP is ideal for investors seeking a regular inflow of funds for their needs. It is also ideally suited to retirees or individuals who wish to invest lumpsums and withdraw from the investment over a period of time.

Systematic Withdrawal Plan - As per amount indicated by the Unitholder

The minimum amount which the Unitholder can withdraw is Rs. 500 and in multiples of Re. 1 thereafter. Unitholders may change the amount indicated in the SWP, subject to a minimum amount of Rs. 500 and in multiples of Re. 1 thereafter. The Unitholder may avail of this plan by sending a written request to the Registrar. This facility is available in the growth and dividend option.

Systematic Withdrawal Plan – As per the amount decided by the AMC hereinafter called ‘Periodic Encashment Plan’ (PEP)

This facility is available in the growth option only. The amount of withdrawal would be decided by the AMC based on anticipated growth in NAV. Further to facilitate investors, such encashment facility is available on a monthly/quarterly/half yearly/annual basis.

To investors having a bank account with Standard Chartered Bank or such other banks with whom the fund would have an arrangement from time to time, the payments on account of SWP/PEP would be effected by way of credit to their account if so specified.

SYSTEMATIC TRANSFER PLAN (STP)

Investors can opt for the Systematic Transfer Plan by investing a lumpsum amount in one scheme of the fund and providing a standing instruction to transfer sums at monthly intervals (for a minimum period of 6 months) into any other scheme of IDFC Mutual Fund. Investors could also opt for STP from an existing account by quoting their account / folio number. Investors could choose to specify a fixed sum to be transferred every month. Alternatively, in the Growth Option(s) / sub-options under the Scheme(s) of IDFC Mutual Fund, investors could opt to automatically transfer the capital appreciation (between the immediately preceding STP date and the present STP date) in the value of their investments to the Scheme(s) of IDFC Mutual Fund. Transfers would be effected as of the first / tenth / twentieth day of every month, as may be prescribed by the unitholder. In the event that such a day is a holiday, the transfer would be effected on the next business day. Transfers must be for a minimum amount of Rs.500/- in case of STPs where a fixed sum is specified to be transferred every month.

Further STP is can also be effected on weekly and fortnightly basis. In case of weekly STP, STP is available on 7th, 14th, 21st and 28th of the month and in case of fortnightly on the 1st & 16th of the month. If STP day falls on non-business day, the STP transaction shall be processed on the next business day.

The AMC reserves the right to introduce STPs at such other frequencies such as quarterly / half-yearly etc. or on any dates as the AMC may feel appropriate from time to time.

SET TRANSACTION ON AUTO REMINDER (STAR)

The facility provides the unitholders with an option to withdraw and / or switch out and / or reinvest the investments made in the Scheme:

(1) On the value of investments either reaching a particular amount or on the investments depreciating in value to a particular amount.

(2) On achieving capital appreciation / on depreciation in value of investments equal to or more than a specified amount or percentage

(3) On happening of a particular event or on a particular date (with or without lock in for a particular period)

Certain illustrations have been given for clarification of STAR:

1. Value of investment depreciating to a particular amount

If the investor has opted for STAR for a redemption on the value of his investment reaching Rs. 10000 when his initial investment was Rs 11000, in such a case a redemption will be automatically triggered on the value of his investment reaching Rs 10000 based on the applicable NAV on the day the said condition is met.

2. Capital appreciation of a particular amount

If the investor has opted for STAR for redemption on achieving 30 % capital appreciation on an investment of Rs 1000, his redemption will be automatically triggered on the value of investment reaching Rs 1300 based on the applicable NAV on the day the said condition is met.

3. On the happening of an event or on a particular date

If the investor wants a particular amount on his birthday, he may opt for STAR and specify the date in such a manner that his redemption proceeds of a particular amount are made available to him on the specified date or as an instance, if the investor wants to switch his investments to certain other scheme of IDFC Mutual Fund on the first day of the next financial year, he may do so by providing such an instruction to the AMC. STAR is thus a financial tool which provides the investors with an opportunity to plan their redemptions / switch outs in accordance with their financial needs. STAR can also help an investor in minimizing losses and / or timely booking of profits. All redemptions/ switches/reinvestments etc. linked to STAR will be based on the applicable NAV of the day on which the condition specified / event occurs. STAR is only an additional facility to the unitholders which provides them with a convenient method of swithching out / reinvesting / redeeming their investments on happening of a particular predetermined condition / event. STAR is not an assurance of any return or gains on part of AMC / Fund to the investor. Nor is there any assurance of minimizing the loss of the investors.

The Trustees / AMC reserve the right to add / modify / remove the conditions / events with respect to STAR for redemption / reinvestment / switch outs in the Scheme.

SYSTEMATIC INVESTMENT PLAN FOR CORPORATE EXECUTIVES (SICE)

SICE is the Systematic Investment Plan for Corporate Executives. All the terms and conditions and other operational aspects prescribed under SIP shall be applicable to SICE also. The only difference is that rather than the individual investor giving post dated cheques, the company for which the executive works will deduct the instructed amount from the salary of the employee and will give one consolidated cheque along with the details of the investor (executive), name, amount, etc. The terms and conditions in regard to the above, will be decided between the Corporate and the AMC from time to time. The account statement/transaction slip will subsequently be sent to the investor concerned. The Fund, reserves the right to issue operational guidelines under SIP/SWP/PEP/SICE and also alter/modify their structure from time to time.

AUTO TRIGGER FACILITY:

Auto Trigger Facility offers an opportunity to the investor to determine his/her the time for entering the equity schemes based on Nifty level and also exit from equity schemes and re-enter the schemes based on % appreciation on the entry NAV level of the selected equity scheme.

How does the facility works:

An investor has to invest in IDFC Nifty Fund or IDFC Money Manager Fund – Treasury Plan - A. The investor in IDFC MMF-TP can indicate Entry Triggers into Nifty Fund levels based on Nifty levels. On activation of Entry Trigger, amount from IDFC MMF-TP will get transferred to “IDFC Nifty Fund”. Further, both the above mentioned investor as well as those investors that have directly invested into the IDFC Nifty Fund can also opt for an Exit Trigger linked to the NAV appreciation of their investment in the IDFC Nifty Fund. On activation of Exit Trigger amount from Nifty Fund” gets transferred into IDFC Money Manager Fund – Treasury Plan - A”.

Original scheme	IDFC Nifty Fund/ IDFC Money Manager Fund – Treasury Plan is the scheme in which the investor will make investment under this facility. IDFC Nifty Fund/ IDFC Money Manager Fund – Treasury Plan – A shall be the OS (Original scheme) for this facility. Investor can select for either Growth Option or Daily Dividend Re-investment Option. Associate Transactions

Please refer to Statement of Additional Information (SAI).

Taxation The information is provided for general information only. However, in view of the individual nature of the implications, each investor is advised to consult his or her own tax advisors/authorised dealers with respect to the specific amount of tax and other implications arising out of his or her participation in the schemes.			
		Resident Investors	Mutual Fund
	<u>Equity Fund</u> Tax on Dividend	Nil	Nil

<i>(mention the tax rates as per the applicable tax laws)</i>	Capital Gains:		
	Long Term	<i>Nil</i>	Nil
	Short Term	<i>15%</i>	Nil
	Equity scheme will also attract securities transaction tax (STT) at applicable rates.		
For further details on taxation please refer to the clause on Taxation in the SAI			

Note: Surcharge and Educational cess will be payable in addition to the applicable taxes, wherever applicable.

1) Long-term capital gains

As per Section 10(38) of the Act, long-term capital gains arising from the sale of unit of an equity oriented fund entered into in a recognised stock exchange or sale of such unit of an equity oriented fund to the mutual fund would be exempt from income tax, provided such transaction of sale is chargeable to securities transaction tax. Companies would be required to include such long term capital gains in computing the book profits and minimum alternate tax liability under section 115JB of the Act.

2) Short-term Capital Gains

As per Section 111A of the Act, short-term capital gains from the sale of unit of an equity oriented fund entered into in a recognised stock exchange or sale of such unit of an equity oriented fund to the mutual fund is proposed to be taxed at 15 per cent effective 1 April 2008 (instead of the earlier rate of 10 per cent), provided such transaction of sale is chargeable to securities transaction tax.

The said tax rate would be increased by a surcharge of :

- 10 per cent in case of non-corporate Unit holders (excluding partnership firms), where the total income exceeds Rs.1,000,000,
- 10 per cent in case of resident partnership firms and corporate Unit holders, and
- 2.5 per cent in case of non-resident unit holders.

However, surcharge is leviable on companies and firms if their total income is in excess of Rs 10,000,000.

Further, an additional surcharge of 3 per cent by way of education cess would be charged on amount of tax inclusive of surcharge.

In case of resident individual, if the income from short term capital gains is less than the maximum amount not chargeable to tax, then there will be no tax payable.

Further, in case of individuals/ HUFs, being residents, where the total income excluding short-term capital gains is below the maximum amount not chargeable to tax¹, then the difference between the current maximum amount not chargeable to tax and total income excluding short-term capital gains, shall be adjusted from short-term capital gains. Therefore only the balance short term capital gains will be liable to income tax at the proposed rate of 15 percent, plus surcharge, if applicable and education cess.

3) No income distribution tax is payable by the Fund, in respect of schemes in the nature of equity oriented fund, in terms of section 115R of the Act, which deals with tax on income distributable to unit holders of mutual funds.

D. COMPUTATION OF NAV

The NAV of the Units of the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date. The Fund shall value its investments according to the valuation norms, as specified in Schedule VIII of the Regulations, or such norms as may be prescribed by SEBI from time to time.

All expenses and incomes accrued up to the valuation date shall be considered for computation of NAV. For this purpose, major expenses like management fees and other periodic expenses would be accrued on a day to day basis. The minor expenses and income will be accrued on a periodic basis, provided the non-daily accrual does not affect the NAV calculations by more than 1%.

Any changes in securities and in the number of units be recorded in the books not later than the first valuation date following the date of transaction. If this is not possible given the frequency of the Net Asset Value disclosure, the recording may be delayed upto a period of seven days following the date of the transaction, provided that as a result of the non-recording, the Net Asset Value calculations shall not be affected by more than 1%.

In case the Net Asset Value of a scheme differs by more than 1%, due to non - recording of the transactions, the investors or scheme/s as the case may be, shall be paid the difference in amount as follows:-

- (i) If the investors are allotted units at a price higher than Net Asset Value or are given a price lower than Net Asset Value at the time of sale of their units, they shall be paid the difference in amount by the scheme.
- (ii) If the investors are charged lower Net Asset Value at the time of purchase of their units or are given higher Net Asset Value at the time of sale of their units, asset management company shall pay the

difference in amount to the scheme. The asset management company may recover the difference from the investors

NAV of units under the Scheme shall be calculated as shown below: **NAV (Rs.) =**

Market or Fair Value of Scheme's investments	+	Current Assets including Income	-	Current Liabilities and Provisions including accrued expenses
--	---	---------------------------------	---	---

No. of Units outstanding under Scheme

The NAV of the Scheme will be calculated upto four decimal places and will be declared on each business day. The valuation of the Scheme's assets and calculation of the Scheme's NAV shall be subject to audit on an annual basis and shall be subject to such regulations as may be prescribed by SEBI from time to time.

The NAV shall be published atleast in two daily newspapers at intervals of not exceeding one week and shall be calculated and announced on a daily basis. The NAVs of Growth Option and Dividend Option will be different after the declaration of the first dividend.

IV. FEES AND EXPENSES

(This section outlines the expenses that will be charged to the schemes)

As per the provisions of the Regulations, read with the amendments thereto, the following fee and expenses will be charged to the scheme.

A. NEW FUND OFFER (NFO) EXPENSES

Other expenses which are directly attributable to the Scheme, subject to the approval of the Trustee*	0.08%
TOTAL RECURRING EXPENSES	1.50%

*Service Tax and other permitted expenses

The purpose of the above table is to assist the investor in understanding the various costs and expenses that an investor in the Scheme will bear. These estimates are based on a corpus size of Rs.1 crore under the Scheme, and would change, to the extent assets are lower or higher. If the corpus size is in excess of Rs.1 crore, the above mentioned recurring expenses in the Scheme would change. The above expenses are subject to inter-se change and may increase/decrease as per actual and/or any change in the Regulations.

These estimates have been made in good faith as per information available to the AMC and the total expenses may be more than as specified in the table above. However, as per the Regulations, the total recurring expenses that can be charged to the Scheme in this Scheme information document shall be subject to the applicable guidelines. Expenses over and above the permitted limits will be borne by the AMC.

As per SEBI (MF) Regulations, 1996, recurring expenses will not exceed 1.5% of weekly average net assets:

Recurring expenses incurred in excess of the aforesaid limits will be borne by the AMC.

The total recurring expenses of the Scheme, , will, however, be limited to the ceilings as prescribed under Regulation 52(6) of the Regulations. These estimates have been made in good faith as per the information available to the Investment Manager based on past experience and are subject to change inter-se. Types of expenses charged shall be as per the SEBI (MF) Regulations.

These estimates have been made in good faith as per the information available to the Investment Manager based on past experience and are subject to change inter-se. Types of expenses charged shall be as per the SEBI (MF) Regulations.

AMC Fee:

In terms of the Investment Management Agreement and the Regulations, the AMC is entitled to an investment management fee at 0.75% per annum of the average net assets.

C. LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the units or to redeem the units from the scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.idfcmf.com) or may call at (toll free no.1-800-226622) or your distributor.

Entry Load: Nil

Exit load: Nil.

Switches from existing equity scheme into IDFC Nifty Fund shall attract applicable exit load.

The Trustee / AMC reserves the right to introduce a Load and change the Load structure if they so deem fit.

The exit load/ CDSC of up to 1% of the redemption value charged to the unit holder by the Fund on redemption of units shall be retained by each of the schemes in a separate account and will be utilized for payment of commissions to the ARN Holder and to meet other marketing and selling expenses. Any amount in excess of 1% of the redemption value charged to the unit holder as exit load/ CDSC shall be credited to the respective scheme immediately

Bonus units and units issued on reinvestment of dividends shall not be subject to exit load.

The investor is requested to check the prevailing load structure of the scheme before investing.

In case of changes/modifications of load, the AMC will endeavour to do the following:

1. An addendum will be attached to the Scheme Information Documents and Key Information Memorandum. The same may be circulated to brokers/distributors so that the same can be attached to all scheme information document and abridged scheme

information document in stock. Further the addendum will be sent along with a newsletter to unitholders immediately after the changes.

2. Arrangement will be made to display the changes/modifications in the scheme information document in the form of a notice in all the official point of acceptance of transactions and distributor's/broker's office.
3. The introduction of the exit load / CDSC alongwith the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load / CDSC.
4. A public notice shall be given in respect of such changes in one English Daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head office of the Mutual Fund is situated.

The Registrar, AMC, MF or any other agent or representative of any of these entities ('Mutual Fund') may accept certain transactions via facsimile or through any electronic mode ('fax/electronic transactions'), subject to the investor fulfilling certain terms and conditions as stipulated by the AMC from time to time. Acceptance of fax/electronic transactions will be as per processes / methodologies permitted by SEBI or other regulatory authorities from time to time and will be solely at the risk of the investor using the fax/electronic transaction ('Investor') and the Mutual Fund shall not be in any way liable or responsible for any loss, damage, caused to the Investor directly or indirectly, as a result of the Investor sending such fax, whether or not received by the Mutual Fund. The investor acknowledges that fax / electronic transaction is not a secure means of giving instructions / transaction requests and that the investor is aware of the risk involved including those arising out of such transmission being inaccurate, illegible, having a lack of quality or clarity, garbled, distorted, not timely etc. and that the Investor's request to the Mutual Fund to act on any fax / electronic transaction is for the investor's convenience and the investor shall not be obliged or bound to act on the same. The Investor authorizes the Mutual Fund to accept and act on any fax / electronic transaction which the Mutual Fund believes in good faith to be given by the Investor and the Mutual Fund shall be entitled to treat any such fax / electronic transaction as if the same was given to the Mutual Fund under the investor's original signature. The Investor agrees that the security procedures adopted by the Mutual Fund may include signature verification, telephone callbacks or a combination of the same. Callbacks may be recorded by tape recording device and the Investor consents to such recording and agrees to co-operate with the recipient to enable confirmation of such fax / electronic transaction requests. The investor further accepts that the fax / electronic transaction shall not be considered until time stamped appropriately as a valid transaction request in the scheme in line with SEBI Regulations. In consideration of the mutual fund from time to time accepting and acting on any fax / electronic transaction request received / believed to be received from the investor, the investor agrees to indemnify and keep indemnified the AMC, IDFC Mutual Fund, Trustees, Sponsor and the group companies of the AMC from and all actions, claims, demands, liabilities, obligations, losses, damages, costs (including without limitation, interest and legal fees) and expenses of whatever name (whether actual or contingent) directly or indirectly suffered or incurred sustained by or threatened against them. The AMC reserves the right to discontinue the above mentioned facilities at any point in time.
