Investment Strategy	<p>Equity: The Scheme will invest in well-managed growth companies that are available at reasonable value. Companies would be identified through a systematic process of forecasting earnings based on a deep understanding of the industry growth potential and interaction with company management to access the company's core competencies to achieve long-term sustainable profit growth. The Scheme is expected to deliver superior relative returns for investors looking for a focused aggressive portfolio of fundamentally good businesses. The guiding principles while managing the portfolio are summarized below :</p> <ol style="list-style-type: none"> 1) Sustainable company profits drives long term share value : Fund management would focus primarily on business fundamentals of the underlying company. The Equity Research process will endeavour to acquire a robust understanding of the dynamics of the underlying business. This would form the basis for forecasts on future profitability and sustainability of cash profit growth. Stock prices of companies that can sustain periods of high cash profit growth will outperform the markets over the long term. Investors entering this scheme are therefore expected to have at least a one year time horizon. 2) Acquire stocks at reasonable value: Once good businesses are identified, stocks would be acquired when they are available at a reasonable value. Overall market corrections and stock price falls due to temporary factors that don't affect long-term profitability are an excellent opportunity to buy stocks cheap. 3) Monitor market interest to ensure consistent performance: Systematically tracking over stock ownership and over researched sectors would help to reduce the risk of a sudden sell off. Stock prices react to event triggers that are constantly monitored to ensure that portfolio performance is more consistent. <p>Debt: The domestic debt markets are maturing rapidly with liquidity emerging in various debt segments through the introduction of new instruments and investors. The actual percentage of investment in various fixed income securities will be decided after considering the prevailing political conditions, the economic environment (including interest rates and inflation), the performance of the corporate sector and general liquidity and other considerations in the economy and markets. The Fund has put in place detailed Investment Discretion Guidelines defining the prudential and concentration limits for the portfolio limits.</p>
Risk Profile of the Scheme	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment.</p> <p>The scheme(s) proposes to invest in equity and equity related instruments. Equity instruments by nature are volatile and prone to price fluctuations on a daily basis due to both micro and macro factors. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of these investments. Different segments of financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities' purchases due to settlement problems could cause the Scheme to miss certain investment opportunities.</p>

Risk Mitigation Factors	The Fund by utilizing a holistic risk management strategy will endeavor to manage risks associated with investing in thematic equity funds. The risk control process involves identifying & measuring the risk through various risk measurement tools. The Fund has identified following risks and designed risk management strategies, which are embedded in the investment process to manage such risks.			
	Risk	Risk mitigants / management strategy		
	Quality risk : Risk of investing in stocks with poor performance	Portfolio carefully selected to only include high quality stocks		
	Market risk : Risk of adverse price movement in portfolio	Equity as an asset class tends to be volatile in the short term. A Thematic fund is likely to have a higher volatility as compared to a diversified fund.		
	Concentration risk : Risk of undue concentration in a single stock	The fund manager will have appropriate risk management policies to ensure that the portfolio is not unduly concentrated		
	Liquidity risk : Risk of liquidity impact of entering/ exiting the underlying stocks in the portfolio	The fund manager will give due care to the liquidity of the stocks while deciding its allocation to the portfolio.

Pursuant to sub regulation (1), (2) and (4) of Regulation 36 of SEBI (Mutual Funds) Regulations, 1996 read with SEBI circulars no. Cir/ IMD/DF/16/ 2011 dated September 08, 2011, no. Cir/MRD/D9/31/2014 dated November 12, 2014, no. SEBI/HO/IMD/DF2/CIR/P/2016/42dated March 18, 2016 and no. SEBI/HO/IMD/DF2/CIR/P/2016/89 dated September 20, 2016, investors are requested to note the following regarding dispatch of account statements:

A) Consolidated Account Statement (CAS) - for Unitholders who have registered their PAN / PEKRN with the Mutual Fund:

Investors who hold demat account and have registered their PAN with the mutual fund:

For transactions in the schemes of IDFC Mutual Fund, a Consolidated Account Statement, based on PAN of the holders, shall be sent by Depositories to investors holding demat account, for each calendar month within 10th day of the succeeding month to the investors in whose folios transactions have taken place during that month.

Due to this regulatory change, AMC has now ceased sending account statement (physical / e-mail) to the investors after every financial transaction including systematic transactions.

The CAS shall be generated on a monthly basis. AMCs/ RTAs shall share the requisite information with the Depositories on monthly basis to enable generation of CAS. Consolidation of account statement shall be done on the basis of PAN. In case of multiple holding, it shall be the PAN of the first holder and pattern of holding. Based on the PANs provided by the AMCs/MF-RTAs, the Depositories shall match their PAN database to determine the common PANs and allocate the PANs among themselves for the purpose of sending CAS. For PANs which are common between depositories and AMCs, the Depositories shall send the CAS.

In case investors have multiple accounts across the two depositories, the depository having the demat account which has been opened earlier shall be the default depository which will consolidate details across depositories and MF investments and dispatch the CAS to the investor. However, option shall be given to the demat account holder by the default depository to choose the depository through which the investor wishes to receive the CAS.

In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send the account statement to the investor as specified under the regulations applicable to the depositories.

Consolidated account statement sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, dividend payout, dividend reinvestment, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and transaction in dematerialised securities across demat accounts of the investors and holding at the end of the month. The CAS shall also provide the total purchase value / cost of investment in each scheme.

Further, a consolidated account statement shall be sent by Depositories every half yearly (September/March), on or before 10th day of succeeding month, providing the following information:

holding at the end of the six month

The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Service Tax/Goods and Service Tax (wherever applicable, as per existing rates), operating expenses, etc.

The scheme's average Total Expense Ratio (in percentage terms) for the half-year period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do

not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.

For Unit Holders who have provided an e-mail address to the Mutual Fund or in KYC records, the CAS will be sent by e-mail. However, where an investor does not wish to receive CAS through email, option shall be given to the investor to receive the CAS in physical form at the address registered in the Depository system.

Investors who do not wish to receive CAS sent by depositories have an option to indicate their negative consent. Such investors may contact the depositories to opt out.

Other investors:

The Consolidated Account Statement (CAS) for each calendar month shall be issued on or before tenth day of succeeding month to the investors who have provided valid Permanent Account Number (PAN) / PAN Exempt KYC Registration Number (PEKRN).

Due to this regulatory change, AMC has now ceased sending physical account statement to the investors after every financial transaction including systematic transactions.

The CAS shall be generated on a monthly basis. The Consolidated Account Statement issued is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, dividend payout, dividend reinvestment, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and holding at the end of the month. The CAS shall also provide the total purchase value / cost of investment in each scheme.

Further, a consolidated account statement shall be issued every half yearly (September/March), on or before 10th day of succeeding month, providing the following information:

holding at the end of the six month

The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The scheme's average Total Expense Ratio (in percentage terms) for the half-year period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

The CAS will be sent via email (instead of physical statement) where any of the folios consolidated has an email id or to the email id of the first unit holder as per KYC records.

B) For Unitholders who have not registered their PAN / PEKRN with the Mutual Fund:

For folios not included in the Consolidated Account Statement (CAS):

The AMC shall allot the units to the applicant whose application has been accepted and also send confirmation specifying the number of units allotted to the applicant by way of email and/or SMS's to the applicant's registered email address and/or mobile number within five working days from the date of transaction.

The AMC shall issue account statement to the investors on a monthly basis, pursuant to any financial transaction in such folios on or before tenth day of succeeding month. The account statement shall contain the details relating to all financial transactions made by an investor during the month, the holding as at the end of the month and shall also provide the total purchase value / cost of investment in each scheme.

For those unitholders who have provided an e-mail address, the AMC will send the account statement by e-mail instead of physical statement.

The unitholder may request for an account statement by writing / calling us at any of the ISC and the AMC shall provide the account statement to the investor within 5 business days from the receipt of such request.

Further, an account statement shall be sent by the AMC every half yearly (September/March), on or before 10th day of succeeding month, providing the following information:
