OUTLOOK AND OPERATIONS OF THE SCHEME(S)

A) Equity Market Outlook

Initial green shoots of earnings recovery are visible in the last couple of quarters with BSE200 earnings growth of 16% in both Q3 and Q4 FY 17. This is the highest earnings growth posted since Sep-13. FY 17 earnings for the BSE200 Index grew 10% as compared to 5%, 8%, 6%, -3% in FY 13, FY 14, FY 15 and FY 16 respectively. The immediate recovery will be led by cyclical like corporate banks, commodities and oil & gas sectors. In the medium term, we expect discretionary sectors like Autos, Cement, and Building Materials etc., to post robust earnings growth.

B) Debt Market Outlook

We have been running significant duration positions in spread assets including SDL, Uday and corporate bonds since February / March. They were available at stress valuations then and have performed well since. However, the trade also had limited period shelf life, given that supply on spread assets rises continually over the next few quarters. Indeed, the Q2 SDL calendar announced recently is more than 50% higher than actual issuances in Q1. In preparation for this, we have been steadily reducing positions in duration (10 year and beyond) SDL, Uday, corporate bonds and switching the positions into government bonds. With this, our exposure in such duration spread assets in our bond and gilt funds is now very little and our preference for the time ahead is to run such duration positions now with government bonds. This will also make flexible duration management easier which may be helpful in the months ahead. However, we continue to like these spread bonds in the 5-6 year maturity and below; given the handsome carry that they provide even with respect to corresponding corporate bonds. Short term and medium term funds continue to look good given the attractive spread between overnight rate and front end bonds.

C) Operations of the Scheme

As on March 31, 2017 IDFC Mutual Fund offers 56 schemes. These include 11 Equity Schemes (including ELSS scheme), 15 Open ended debt schemes including 1 liquid fund and 3 Gilt Schemes, 1 Open ended Balanced scheme, 2 Exchange Traded Funds, 22 close ended Fixed Term Plan, 1 Interval Scheme and 4 Fund of Fund Schemes. The total assets under management across all these Schemes as on March 31, 2017 was Rs. 55,717.20 Cr vis-à-vis Rs. 48,667.21 Cr as on March 31, 2016.

I) Launch of Schemes during the FY 2016-2017:

During the year, the Fund launched two close ended schemes - IDFC Fixed Term Plan - Series 129 and IDFC Fixed Term Plan - Series 131, Two exchange traded funds IDFC Nifty Exchange Traded Fund and IDFC Sensex Exchange Traded Fund, one open ended debt Scheme - IDFC Credit Opportunities Fund and one open ended Balanced Fund - IDFC Balanced Fund. Fixed Term Plan Series 129 and 131 seek to invest in Debt Securities & Money Market Instruments maturing on or before the maturity of the Scheme. IDFC Sensex ETF and IDFC Nifty ETF seek to provide returns that, before expenses, closely correspond to the total return of the underlying index, subject to tracking errors. IDFC Credit Opportunities Fund seeks to generate returns by predominantly investing in a portfolio of corporate debt securities across the credit spectrum within the investment grade. IDFC Balanced Fund seeks to generate long term capital appreciation along with current income by investing in a mix of equity and equity related securities, debt securities and money market instruments.

Management's Responsibility for the Financial Statements

The Managements of IDFC AMC Trustee Company Limited (the "Trustee") and IDFC Asset Management Company Limited (the "AMC") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Schemes in accordance with accounting policies and standards as specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 ("the SEBI Regulations") and amendments thereto, including the Accounting Standards issued by the Institute of Chartered Accountants of India and in accordance with the accounting principles generally accepted in India.

This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of SEBI Regulations, the applicable accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the SEBI Regulations.

We conducted our audit of the financial statements in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Scheme's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.
